- ▶ The company undertakes to replace their products, should they become defective solely as a result of faulty workmanship within the warranty period of 15 years in the case of electro-mechanical wiring product and two years warranty in the case of mains related electronic wiring products including indicator modules & surface coated products.
- ▶ The warranty will be void if the product has not been installed or maintained in accordance with the wiring regulations or if any attempt has been made to rectify, tampered, improper, dismantle, alter or abnormal use of the product.

- ▶ The accessory has been properly installed by a qualified and recognized electrician.
- ▶ The warranty states the company's entire liability. It does not extend to cover consequential loss or damage or installation costs arising from the defective product.
- ▶ Due to our continuous research & development, product specifications may change.
- ▶ Must produce the invoice to avail service during the warranty.
- ▶ Disputes, if any, are subject to Delhi jurisdiction only.
